“The New Human”

**PROVOCATIVE 5-HOUR SEMINAR
with LIVE KRYON CHANNEL**

Reality and Physics

Physics and quantum energies in our biology play a part in everything Lee presents. "If God is the creator of all things, then He is the master physicist." The world beyond our perception may begin to show how God works with us using multi-dimensional realities. These are energies that have always been there, and are inside us as well.

Our Amazing Spiritual Structure

Lee explains what Kryon has said about "The Nine Attributes of the Human Being". These provocative topics have been developed from Lee's latest book; *The Recalibration of the Human Being*.

- Are we fragmented? Where is the Higher Self and how does it communicate?
- How is our DNA changing? Is there evidence?
- Why now? What is the time schedule from Spirit?
- How does our "soul" interface with us directly?

The Cooperative Grids of the Planet

How are we really connected to the Grids of the planet?

- How does the Magnetic Grid of the earth relate to us? Is there evidence that we can change it?
- Why does Kryon call the Grids "cooperative"? Do they have intelligence?
- What is the Crystalline Grid and Gaia Grid? How did they get here? What do they do?
